

Black Lives Matter - Black Votes Matter- Good Jobs Matter

LABOR DAY SIT-IN

Monday, September 7

11am- 2 pm

Greater Galilee Missionary

Baptist Church

2432 N. Teutonia Ave

THIS IS A CRITICAL TIME FOR THE MILWAUKEE COMMUNITY.

- We are fighting racism and police brutality while the pandemic causes the loss of businesses, jobs and income
- As the election nears, national leaders want to stop mail-in votes by cutting postal services. They are trying to suppress our votes.

Labor Day honors the fight for economic justice. Now, we are mobilizing against inequality as an army of faith with the power of 100,000 souls to the polls. Join us and build a strong bloc of activists to create a better future for our families and community.
